

Raise the Roof, Raise \$ 4 the Floor

Friends,

241 FITNESS will be here for years to come! Wendy recently renewed a long term lease for the studio. The landlord, however, would not replace the floor. Wendy, always looking out for our safety, health, and well-being, has decided to bear the financial burden of a new floor so none of us sustains an injury due to its uneven surface.

Several of us see this as an opportunity to give back to 241 FITNESS and Wendy. A fund-raising effort, "Raise the Roof, Raise \$ 4 the Floor" has been established. Look for a link on the 241 FITNESS homepage (for high-tech credit card donations) or the box by the studio door (for low-tech cash and check donations).

Thank you for giving!
